Dear Parents/Guardians:

The success of every child is critically important to us. To that end, we want to ensure that all students achieve their maximum potential as they strive to become citizens who are college and career ready when they leave the Irvington Public Schools. With this in mind, we have prepared a spring break packet for your child(ren) to complete during spring break: April 14, 2017 to April 21, 2017

Completion of the packet is required, and we ask that you encourage your child(ren) to do their best work. Your child will receive a test grade for his/her assignment. The spring break packet is due on Monday, April 24, 2017, which is also the day that students return to school. A list of reading and writing assignments, with directions, is enclosed in the packet.

Please be assured that the core goal of all required assignments is to strengthen your child's ability to achieve maximum success through applying skills and processes that have been taught throughout the school year. We believe that this experience will help students in grades K-12 improve their academic achievement.

If you have any questions, please contact your child's teacher. Thank you for your partnership.
