Bystanders will be subject to disciplinary action. Assistant Principal will consider the nature of the behavior before determining a remedial action and/or disciplinary consequence.

Retaliation

A person who commits an act of retaliation or reprisal against the individual who reported the original act of harassment, intimidation or bullying, or an individual who falsely accuses someone of harassment, intimidation or bullying is subject to the same disciplinary consequences as the original aggressor. The level of disciplinary consequence may match the level of the original consequences given to the aggressor or may increase to the next level of consequence as outlined in the Student Code of Conduct. All disciplinary sanctions will be implemented with consideration of the individual's due process rights.
