WEBINAR SELECTION FOR WORLD LANGUAGE BEST PRACTICES / STRATEGIES / ENGAGEMENT

The following are webinars you can use as part of your daily required number of webinars. We will be adding additional webinars to this list and on our ESL/Bil/WL Program Google Classroom, to help you comply with our districts required teacher assignments.

Please complete a summary for each webinar - including topic, relevance to your lesson / teaching, what you learned, how you will use this information / practical application, etc. In addition, attached a copy of the webinar information and/or certificate.

Any questions, please let us know.

Thank you. Dr. Ruiz / Mr. Perkins

World Languages Webinars By Pearson

Ideas, information, and tips for educators! Explore our free world Languages webinars and sign up for live sessions. If you miss one, no problem! All webinars will be recorded and available on-demand.
