

Hello Art, Music and Dance Educators,

Please see links for you to attend and complete Online Webinars during your two-week break.
You can also access and use additional arts and educational resources to complete online webinars.

This is a mandatory administrative district directive.

You must complete two webinars from 3/20/2020 through 3/27/2020.

Upon your return to work, you should have proof of taking 12 webinars (2 per day for 6 days).

You can use screenshots or take pictures of your certificates with your cell phones.
These certificates can be printed upon your return and placed in your Domain 4 Binder.

You will also be able to present to your colleagues during the departmental meetings.
Please be safe.

Thank you.
