Board President Audrey Lyon reported that in accordance with P.L. 1975, Chapter 231, adequate notice of this meeting was posted in the Administration Building and copies of said notice sent to the Irvington Herald, the Star Ledger, and Township Clerk.

SUPERINTENDENT’S REPORT

Dr. April Vauss, Superintendent of Schools began her report by bidding good evening to the Board President Ms. Lyon, Vice President Mrs. Beasley, the Board Members, her cabinet, her various administrators present, staff, teachers, custodians, security, secretaries, parent coordinators and parents thanking them all for attending. She gave a special shout out to the staff of Thurgood Marshall School who were heavily in support of their principal. She then turned the meeting over to the principal.

Stacy Love, Principal of Thurgood Marshall Elementary School said good evening and welcome to the virtual meeting hosted by Thurgood Marshall Elementary School. She stated Autism Awareness Month was in full swing there at Thurgood Marshall where they were highlighting the gifts, skills and awesomeness of their 60 autistic scholars and their incredibly phenomenal teachers. She added their community of educators were working on preparing the scholars for higher academia. That very day they highlighted HBCUs and the next day their focus was be on Ivy League Schools. That Friday they culminated with their college and career day.

Ms. Love said thank you to her Thurgood Family for being the professionals they were, indicating she appreciated and thanked them for joining in that evening. She thanked the families of Thurgood Marshall School noting they made it a delight to be their principal. She ended with a video presentation of a few things happening at her school.

Dr. Vauss expressed that the presentation was an excellent job. She called for a round of applause for Principal Love and her entire staff. The Superintendent highlighted the Lego Education Link mentioned in the presentation which was an initiative being done throughout the district to ensure that the scholars were all prepared for the possibility of joining the STEAM Academy in the future if that was the path they choose to take.

Dr. Vauss also praised Thurgood Marshall for the tremendous work done in the area of Autism being able to encourage the advancement and just showing the light the autistic population brought to all. She said it takes a special person to be able to lead that school with so many different challenges so “hat off” to Principal Love and her incredible staff at Thurgood Marshall School.

For the student trustee report, Dr. Vauss brought on the two seniors representing the student body for 2022-2023.

Student Trustees Monica Ifezue, and Angel Odugbile began their report by greeting everyone present. They went on to say, “We want to share with you all the fantastic things that are occurring at Irvington High School. A place where diversity is embraced and leaders are educated.

- On March 29, we hosted our 2nd College and Career fair. The fair facilitated 34 organizations comprising five direct-to-work/ trade companies, four military branches, and 25 colleges from along the Eastern Seaboard. Many of our student body got to engage in dialogue and obtain vital information affecting their college and career future.
- Let's give a round of applause to the Class of 2023. Today, they have 194 college acceptances and \$ 6,159,000 in scholarships. Also, there 9 JROTC students and counting who have enlisted in the various armed services branches
- Our Girls' flag football season kicked off yesterday, demolishing Payne Tech 44- 0. Way to go, ladies! We wish you the best of luck this year.
- Shout out to our Girls' Softball Team, who currently holds a record of 2-1, and to our Girls' and Boys' Track Teams, who both have records of 1-0.
- Congratulations to Kyshiir Desir on being selected to participate in the Phil Simms North/ South Football Classic on June 11 at KEAN University. Go and show them what Irvington Blue Knights is all about.
- We want to congratulate Esmeralda Velez & Melissa Orkie on being the very 1st students ever in Irvington High School Cosmetology Academy to compete in a statewide cosmetology event at SkillsUSA. These ladies truly showcased their tremendous skills. Esmeralda won 1st place in the competition and has advanced as a semi-finalist.

- Our JROTC cadets participated in the Women's Future Leadership Academy located in Edison, NJ. The cadets got to network with women in leadership positions in various career fields. In addition, they learned about different scholarship opportunities for female students.
- Special Shout out to our JROTC Cadets that participated in the annual NJ Econ Challenge and NJ Finance Competition. We are awaiting the competition's results but are confident that our cadets will place within both competitions.
- Lastly, our JROTC cadets had the opportunity to tour the beautiful campus of Ramapo College. In addition to learning about various courses and opportunities the college has to offer, the students had a unique audience with the College President, who they learned is a retired Army General.

Thank you again for this opportunity to highlight Irvington High School!

Dr. Vauss noted the young ladies did an excellent job and explained one of the things they mentioned was the accolades being afforded JROTC. She was very excited that while she was very pleased with the leadership of Sgt. Craig and Maj. Munroe, the new teacher they fought for would be the first female staff member for the district JROTC. While she couldn't see where the program could be any better, she was very excited to see what was next for JROTC. She added there were many women who were making their mark and a career in the military.

With regards to Esmerelda Velez, she was a semi-finalist but actually ended up in 1st place in the SkillsUS State Competition for Fancy Makeup. The Superintendent gave a shout-out of course to her teacher but also to a new member of the staff Ms. Nadia Jones-Vascal. She stated Ms. Jones-Vascal was doing incredible work in the CTE program. She said that many understood that college may not be the path for everyone but they could have productive fulfilling careers utilizing skills-based programs. Dr. Vauss stated Ms. Jones-Vascal had bolstered the programs tremendously and had not been in the district six months so she needed to acknowledge what she had done for the CTE programs making sure the district was aligned with the state guidelines.

Dr. Vauss reminded everyone about Sgt. Craig winning the 2023 Teacher Who Rocks Award and mentioned he was being honored that evening at a dinner in Oakland, NJ. She expressed their spirit and well wishes was with him that evening.

Next on her report Dr. Vauss mentioned because it was the season of Ramadan where many of the youngsters were fasting from sun up to sun down. As educators they had to be aware of the what was going on with the students. She noted a student from a visiting team became severely dehydrated, was having seizures and passed out at an athletic event. She stated the quick thinking of the district's athletic trainer and coach in going to the aid of the young man basically saved him. She said it confirmed what she felt about her wonderful staff, that they would go beyond that which was expected which was made it special to be in Irvington. But this also underscored the communication she sent out reminding everyone to be mindful that many of the district schools were observing Ramadan so she wanted to encourage that observance, but she also wanted everyone to be looking for signs of dehydration, weakness. So, she said hats off to Athletic Trainer, Mackenzie Livermore and Coach Salim Laib.

Finally, Dr. Vauss went on to say the spring season began on April 3rd. The girls flag football had won all of their scrimmage games and won their first official game by a score of 44-0 against Essex Tech. Other sports that started were baseball, softball, boys and girls golf, boy's tennis, girl's lacrosse, boys and girls outdoor track, boys' volleyball. She announced Union Avenue Middle and University Middle would play their first

volleyball game against each other in school history. She pointed out in the board agenda was mentioned the lacrosse clinics at the elementary school. The district was introducing the sport of lacrosse to the young scholars, they wanted the children to be exposed to traditional and non-traditional sports.

RESOLUTION TO APPROVE BOARD MEETING MINUTES

RESOLVED, that the minutes of the Board of Education meetings held on the dates as indicated, as corrected and transcribed, be received and filed.

February 15, 2023 – Virtual Meeting

ACTION:

----------	--------	-----------------	--

TOTAL TUITION AMOUNT OF NEW PLACEMENTS – \$ 50,000.00

CLASSIFICATION DEFINITIONS

1. "Auditorily Impaired" corresponds to "auditorily handicapped" and further corresponds to the Federal eligibility categories of deafness or hearing impairment. "Auditorily impaired" means an inability to hear within normal limits due to physical impairment or dysfunction of auditory mechanisms characterized by (c)1i or ii below. An audiological evaluation by a specialist qualified in the field of audiology and a speech and language evaluation by a certified speech- language specialist are required.

i. "Deafness"--The auditory impairment is so severe that the student is impaired in processing linguistic information through hearing, with or without amplification and the student's educational performance is adversely affected.

ii. "Hearing Impairment"--An impairment in hearing, whether permanent or fluctuating which adversely affects the student's educational performance.

2. "Autistic" means a pervasive developmental disability which significantly impacts verbal and nonverbal communication and social interaction that adversely affects a student's educational performance. Onset is generally evident before age three. Other characteristics often associated with autism are engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routine,

unusual responses to sensory experiences and lack of responsiveness to others. The term does not apply if the student's adverse educational performance is due to emotional disturbance as defined in (c) 5 below. A child who manifests the characteristics of autism after age three may be classified as autistic if the criteria in this paragraph are met. An assessment by a certified speech-language specialist and an assessment by a physician trained in neurodevelopmental assessment are required.

3. "Intellectually Disabled" means a disability that is characterized by significantly below average general cognitive functioning existing concurrently with deficits in adaptive behavior; manifested during the developmental period that adversely affects a student's educational performance and is characterized by one of the following:

i. "Mild Intellectual Disability" means a level of cognitive development and adaptive behavior in home, school, and community settings that are mildly below age expectations with respect to all of the following:

- (1) The quality and rate of learning;
- (2) The use of symbols for the interpretation of information and the solution of problems; and
- (3) Performance on an individually administered test of intelligence that falls within a range of two to three standard deviations below the mean.

ii. "Moderate Intellectual Disability" means a level of cognitive development and adaptive behavior that is moderately below age expectations with respect to the following:

- (1) The ability to use symbols in the solution of problems of low complexity;
- (2) The ability to function socially without direct and close supervision in home, school and community settings; and
- (3) Performance on an individually administered test of intelligence that falls three standard deviations or more below the mean.

iii. "Severe Intellectual Disability" means a level of functioning severely below age expectations whereby in a consistent basis the student is incapable of giving evidence of understanding and responding in a positive manner to simple directions expressed in the child's primary mode of communication and cannot in some manner express basic wants and needs.

4. "Communication Impaired" corresponds to "communication handicapped" and means a language disorder in the areas of morphology, syntax, semantics and/or pragmatics/discourse which adversely affects a student's educational performance and is not due primarily to an auditory impairment. The problem shall be demonstrated through functional assessment of language in other than a testing situation and performance below 1.5 standard deviations, or the 10th percentile on at least two standardized language tests, where such tests are appropriate, one of which shall be a comprehensive test of both receptive and expressive language. When the area of suspected disability is language, assessment by a certified speech-language specialist and assessment to establish the educational impact are required. The speech-language specialist shall be considered a child study team member.

i. When it is determined that the student meets the eligibility criteria according to the definition in (c) 4 above, but requires instruction by a speech-language specialist only, the student shall be classified as eligible for speech-language services.

ii. When the area of suspected disability is a disorder of articulation, voice or fluency, the student shall be evaluated according to N.J.A.C. 6A:14-3.4(g) and, if eligible, classified as eligible for speech-language services according to N.J.A.C. 6A:14-3.6(a).

5. "Emotionally Disturbed" means a condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree that adversely affects a student's educational performance due to:

- i. An inability to learn that cannot be explained by intellectual, sensory or health factors;
- ii. An inability to build or maintain satisfactory interpersonal relationships with peers and teachers;
- iii. Inappropriate types of behaviors or feelings under normal circumstances;
- iv. A general pervasive mood of unhappiness or depression; or
- v. A tendency to develop physical symptoms or fears associated with personal or school problems.

6. "Multiply Disabled" corresponds to "multiply handicapped" and "multiple disabilities," and means the presence of two or more disabling conditions, the combination of which causes such severe educational needs that they cannot be accommodated in a program designed solely to address one of the impairments. Multiple disabilities includes cognitively impaired-blindness, cognitively impaired-orthopedic impairment, etc. The existence of two disabling conditions alone shall not serve as a basis for a classification of multiply disabled. Eligibility for speech-language services as defined in this section shall not be one of the disabling conditions for classification based on the definition of "multiply disabled." Multiply disabled does not include deaf-blindness.

7. "Deaf/blindness" means concomitant hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational problems that they cannot be accommodated in special education programs solely for students with deafness or students with blindness.

8. "Orthopedically Impaired" corresponds to "orthopedically handicapped" and means a disability characterized by a severe orthopedic impairment that adversely affects a student's educational performance. The term includes malformation, malfunction or loss of bones, muscle or tissue. A medical assessment documenting the orthopedic condition is required.

9. "Other Health Impaired" corresponds to "chronically ill" and means a disability characterized by having limited strength, vitality or alertness, including a heightened alertness with respect to the educational environment, due to chronic or acute health problems, such as attention deficit disorder or attention deficit hyperactivity disorder, a heart condition, tuberculosis, rheumatic fever, nephritis, asthma, sickle cell anemia, hemophilia, epilepsy, lead poisoning, leukemia, diabetes or any other medical condition, such as Tourette Syndrome, that adversely affects a student's educational performance. A medical assessment documenting the health problem is required.

10. "Preschool Child with a Disability" corresponds to preschool handicapped and means a child between the ages of three and five who either:

i. Is experiencing developmental delay, as measured by appropriate diagnostic instruments and procedures, in one or more of the areas in (c) 10 i (1) through (5) below, and requires special education and related services. When utilizing a standardized assessment or criterion-referenced measure to determine eligibility, a developmental delay shall mean a 33 percent delay in one developmental area, or a 25 percent delay in two or more developmental areas.

- (1) Physical, including gross motor, fine motor and sensory (vision and hearing);
- (2) Intellectual;
- (3) Communication;
- (4) Social and emotional; and
- (5) Adaptive; or

ii. Has an identified disabling condition, including vision or hearing, that adversely affects learning or development and who requires special education and related services.

11. "Social Maladjustment" means a consistent inability to conform to the standards for behavior established by the school. Such behavior is seriously disruptive to the education of the student or other students and is not due to emotional disturbance as defined in (c) 5 above.

12. "Specific Learning Disability" corresponds to "perceptually impaired" and means a disorder in one or more of the basic psychological processes involved in understanding or using language, spoken or written, that may manifest itself in an imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations, including conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia.

i. A specific learning disability can be determined when a severe discrepancy is found between the student's current achievement and intellectual ability in one or more of the following areas:

- (1) Basic reading skills;
- (2) Reading comprehension;
- (3) Oral expression;
- (4) Listening comprehension;
- (5) Mathematical calculation;
- (6) Mathematical problem solving;
- (7) Written expression; and
- (8) Reading fluency.

ii. A specific learning disability may also be determined by utilizing a response to scientifically based interventions methodology as described in N.J.A.C. 6A:14-3.4(h)6.

iii. The term severe discrepancy does not apply to students who have learning problems that are primarily the result of visual, hearing, or motor disabilities, general cognitive deficits, emotional disturbance or environmental, cultural or economic disadvantage.

iv. The district shall, if it utilizes the severe discrepancy methodology, adopt procedures that utilize a statistical formula and criteria for determining severe discrepancy. Evaluation shall include assessment of current academic achievement and intellectual ability.

13. "Traumatic Brain Injury" corresponds to "neurologically impaired" and means an acquired injury to the brain caused by an external physical force or insult to the brain, resulting in total or partial functional disability or psychosocial impairment, or both. The term applies to open or closed head injuries resulting in impairments in one or more areas, such as cognition; language; memory; attention; reasoning; abstract thinking; judgment; problem-solving; sensory, perceptual and motor abilities; psychosocial behavior; physical functions; information processing; and speech.

14. "Visually Impaired" corresponds to "visually handicapped" and means an impairment in vision that, even with correction, adversely affects a student's educational performance. The term includes both partial sight and blindness. An assessment by a specialist qualified to determine visual disability is required. Students with visual impairments shall be reported to the Commission for the Blind and Visually Impaired.

10. HOME INSTRUCTION

RESOLVED, that the Board of Education accepted the recommendation of the Superintendent of Schools, and approved Home Instruction for the below listed eligible students for the 2022-2023 school year. VIRTUAL BOARD MEETING

APRIL 12, 2023

West Point Address: 606 Thayer Rd, West Point, NY 10996 JROTC complies with the McRel Standards and this Staff Ride adheres to: W.9-10. WRITING - W.9-10.10., SL.9-10. SPEAKING & LISTENING - SL.9-10.1.c., SL.9-10.2., SL.9-10.3., SL.9-10.4., L.9-10. LANGUAGE - L.9-10.4., L.9-10.4.a., L.9-10.4.d., RH.9-10. READING: HISTORY/SOCIAL STUDIES - RH.9-10.1., RH.9-10.2., WHST.9-10. WRITING: HISTORY/SOCIAL STUDIES, SCIENCE, & TECHNICAL SUBJECTS - WHST.9-10.1., WHST.9-10.1.a., WHST.9-10.1.b., WHST.9-10.1.c., WHST.9-10.2.a., WHST.9-10.2.b., WHST.9-10.4., WHST.9-10.8.	April 25, 2023 8:00 am To 2:00 pm with student arrival at 8:45 am			MAJ (Ret.) Munro SFC (Ret.) Craig		Per Cadet Total: \$1,520	transportation 2 buses Cost of bus: \$1900.00 Admin Fee: \$57.00 Total cost of transportation \$1957.00	\$1957.00 Admission cost: \$1520.00	15-000-270-512-00-12 Admissions: 15-190-100-800-00-12
Rationale: The JROTC program will have the cadets attend a Staff Ride per the JROTC curriculum to the United States Military Academy at West Point. The cadre of JROTC want the cadets to experience the aurora of one of the most elite institutions in the country. The cadets will see first-hand the busiest college students in the U.S. This Staff Ride will also offer the opportunity for the cadets to study a campaign or historical events in a classroom environment and experience the terrain of the actual battlefield. The cadets will visit 18th century fortifications, key points of the Hudson River and all of this will tie in with their classroom instructions.

---	--	--	--	--	--	--	--	--	--

Rationale: The Irvington JROTC program has been requested to provide color guard prior to two events for Seton Hall University on 18 May 2023. The cadets will perform color guard prior to the Nursing School of SHU - Convocation and Pinning Ceremony in the morning. The cadets will perform color guard prior to the Conferral of Graduate Degrees and Doctoral Hooding Ceremony at Bethany Hall on Seton Hall University in South Orange, NJ in the afternoon. The cadets performing this patriotic detail falls under the curriculum of the program and fosters the relationship between Seton Hall University and Irvington High School. The cadre of JROTC want the cadets to experience the aurora of one of the best institutions in New Jersey and the sacred ceremony of education at its highest level. This performance follows-up with the program's visit to the Seton Hall Nursing School's Symposium earlier this year. Linked JROTC Program Outcomes: Make decisions that promote positive social, emotional, and physical health. Appreciate the role of the military and other service organizations in building a constitutional republic. Linked JROTC Program Outcomes: Graduate prepared to excel in post-secondary options and career pathways.

ACTION:

Motion by: Syesha Benbow, Seconded by: Janelle Lowery

Roll Call: Unanimously approved on a roll call vote.

CURRICULUM

Roll Call: Unanimously approved on a roll call vote.

PUBLIC COMMENTS (Non-agenda):

Michael Byock, President of the IEA acknowledged that the Irvington Education Association had been quite busy hosting some amazing events for the Irvington School Community. They held two parent workshops at Irvington High School, learning about positive behavior support for the students. They also enjoyed raffle prizes and dinner catered by Irvington's own KB's Smokehouse. They were planning to host one more event before school was out. In November they held a very successful food distribution where 150 Irvington Families were given fresh produce, protein and various groceries to help out around Thanksgiving. They hosted a paint night where students and parents came together with teachers and staff to paint a beautiful sky at Berkeley Terrace with the IEA supplying all of the supplies as well as food for the parents. They hosted a World Language Fair at Augusta and in October they assisted the Irvington ESL and World Language Department with their fair. The IEA participated in a county-wide essay contest where the Irvington Students placed 1st, 2nd and 3rd in very grade level except Kindergarten and 6th grade. Each winner would receive a gift card and an invite for their family to Turtle Back Zoo and a private night sponsored by the Essex County Education Association. The Pride Chairs, Lauren Greenfield and Linda Battle awarded Mt. Vernon a pride grant to host a trip to the National Blacks in Wax Museum in Baltimore, Maryland on May 27th. Tee shirts were purchased for all who would attend and lunch would be provided for all as well. On April 15th they would be assisting in the Wellness Fair by providing the tee shirts. Finally, they would be hosting the Special Olympics again Saturday, May 13th. Every participant would receive a tee shirt, lunch and have a fun filled day.

He stated the IEA as it always has been, was committed to partnering in the learning and success of the whole community of Irvington and its great public schools. They looked forward to their continued partnership at future events.

Board President Lyon announced the district was losing a great administrator in Dr. Latee McCleod. She wished her well in her next endeavor stating that the district was pleased to see her grow.

Dr. McCleod stated she would not say goodbye, she would say see you later because Irvington was home for her. She reminisced about getting her administrative start in Irvington several years ago, returning there three years ago. She indicated it had been an awesome experience serving as the Assistant to the Assistant Superintendent for Curriculum and Instruction under the leadership of Dr. April Vauss and to work with her cabinet. She noted three members of the cabinet actually watched her grow up in the community and then she had the pleasure of working with Farah Irving gaining a new friend there as well. She said the community embraced her, loved her and it was just an amazing experience. She thanked Dr. Vauss for her recommendation, for her leadership and for her support. She then thanked the cabinet members, the principals but most importantly the parents and community for the opportunity to be there and serve.

CLOSED SESSION

“In accordance with the New Jersey Open Public Meeting Act, be it hereby resolved that the Irvington Township Board of Education meet in closed session, May 17, 2023 (Virtually) at 5:00 p.m., to address confidential matters of personnel, negotiations, and/or attorney client privilege.

It is expected that the matters discussed will be made public at the time that the need for confidentiality no longer exists.”

Upon the motion by Joseph Sylvain, seconded by Janelle Lowery and unanimously approved by a roll call vote, the Regular Public Meeting of the Irvington Board of Education held virtually adjourned at 6:59 pm.

Reggie Lamprey, CPA
Assistant Superintendent for Business/Board Secretary
