Title I, Part A regulations require that each school served under Title I, Part A jointly develop with and distribute to parents of participating children, a written involvement policy agreed on by the parents that describes the requirements of the Elementary and Secondary Education Act (ESEA) section 1116. Parent and Family Engagement (c) through (f) as listed below:

C. Policy Involvement

Each school served under this part shall —

- 1. Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under this part and to explain the requirements of this part, and the right of the parents to be involved;**

An Annual Title I Meeting will be held during the annual Back to School Night at 5:30 PM

- 2. Offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, child care, or home visits, as such services relate to parent and family engagement;**

Parents will have monthly, bi-monthly, or quarterly meetings and workshops with the Parent Coordinator. Meetings will be offered both in the morning and evenings. Parents are allowed to bring children to meetings.

- 3. Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under this part, including the planning, review, and improvement of the school parent and family engagement policy;**

Parents are encouraged to attend the presentation of assessment data during the school year. Parents are also invited to participate in the School Leadership Council and School Safety Team. Likewise, parents who attend the Title I Annual Meeting are given the opportunity to review and provide feedback regarding the school parent and engagement policy.

- 4. Provide parents of participating children —**

(A) Timely information about programs under this part;

(B) A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels students are expected to meet regarding the challenging State academic standards; and

(C) if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible.

Morning and Evening Parent Conferences are held annually in December at which time parents are informed about academic assessments, student achievement levels expected to be met, and student progress. Parents also receive quarterly progress reports and communication (telephone, e-mail, conferences, and Class Dojo) regarding their child's academic progress. Monthly PTA meetings are held and provide opportunities for parents to formulate suggestions and participate in the decision making process relating to the education of their children.

5. If the Annual School Plan (schoolwide program plan) is not satisfactory to the parents of participating children, submit any parent comments on the Annual School Plan (ASP) when the school makes the plan available to the local educational agency.

If the ASP is not satisfactory, the school will submit parent comments on the ASP prior to submitting their plan to the district.

D. Shared Responsibilities for High Student Academic Achievement-

As a component of the school-level parent and family engagement policy, each school shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement.

During the Back to School Night, parents and staff will jointly develop the school-parent compact. This compact will outline how parents, staff and students will share responsibilities for improved academic achievement.

In part, Student Consistent Attendance is perhaps the single most important part of the parental compact. Please ensure that your child is present at school every day and on time. While we understand that at times students must be absent, please understand that chronic absenteeism can be avoided. This begins with our partnership and agreement regarding the consistent and uninterrupted presence of your child at school.
